## **EXPEDITED SHIPPING OF PROPOSALS & PLANS**

If a requestor wishes expedited shipping for Proposals and/or Plans they must furnish their UPS account number to the Contracts Office. The cost of this expedited shipping will be billed to the requestor by UPS.

Formerly, the Department, when requested, had shipped Proposals and/or Plans via FedEx and FedEx billed the requestor. Due to a change in the way FedEx does business, it is no longer feasible to provide this service. This change is effective immediately.

Any questions may be directed to Jim Duncan at 217-782-7806 or at [duncanjr@nt.dot.state.il.us](mailto:duncanjr@nt.dot.state.il.us).

# Special Notice Regarding IDOT Proposals, Authorization To Bid & Requests For Plans & Proposals

## ABOUT IDOT PROPOSALS

All proposals issued by IDOT are potential bidding proposals. Each proposal contains all Certifications and Affidavits, a Proposal Signature Sheet and a Proposal Bid Bond required for Prime Contractors to submit a bid after written AUTHORIZATION TO BID has been issued by IDOT's Central Bureau of Construction.

## ABOUT AUTHORIZATION TO BID

**WHO CAN BID?:** Bids will be accepted from only those companies that **request and receive** written **Authorization to Bid** from IDOT's Central Bureau of Construction. To request authorization, a potential bidder must complete and submit Part B of the Request for Proposal Forms and Plans & Request for Authorization to Bid form (BDE 124).

**WHAT CONSTITUTES AUTHORIZATION TO BID?:** When a prospective prime bidder submits a "Request for Proposal Forms and Plans" he/she must indicate at that time which items are being requested for Bidding purposes. Only those items requested For Bidding will be analyzed. After the request has been analyzed, the bidder will be issued a **Proposal Denial and/or Authorization Form**, approved by the Central Bureau of Construction, that indicates which items have been approved for Bidding. If **Authorization to Bid** cannot be approved, the **Proposal Denial and/or Authorization Form** will indicate the reason for denial.

**FIRMS UNSURE AS TO AUTHORIZATION STATUS?** Firms that have not received an authorization form within a reasonable time of complete and correct original document submittal should contact the department as to status. This is critical in the week before the letting. These documents must be received by three days before the letting date. Firms unsure as to authorization status should call the Prequalification Section of the Bureau of Construction at 217/785-4927.

## ABOUT REQUESTS FOR PLANS & PROPOSALS

The request form used for ordering plans and proposals, Form BDE 124 (Revised 3/2000), has been designed to provide better communication between requesters and IDOT personnel who are responsible for processing plan and proposal orders. If requesters follow the instructions printed on the reverse side of the form, it will help save time, eliminate errors and expedite the processing of requests.

Requests for plans and proposals will not be honored unless submitted on the proper form, a copy of which is included in this issue of the Transportation Bulletin.

### Notice

NO AUTHORIZATION TO BID WILL BE ISSUED UNTIL A **COMPLETED PART B OF FORM BDE 124** and THE **ORIGINAL** AFFIDAVIT OF AVAILABILITY HAS BEEN FILED WITH THE CENTRAL BUREAU OF CONSTRUCTION

## **SPECIAL NOTICE REGARDING JOINT VENTURES**

On July 29, 1997, the Illinois Department of Transportation adopted amended administrative rules governing "Prequalification of Contractors & Issuance of Plans & Proposals". Pursuant to those rules, procedures for analysis and Authorization to Bid on for joint ventures on state lettings will henceforth be as follows:

- 1) Prequalified contractors may combine their available bidding capacity and request Authorization to Bid for a single contract to bid as a joint venture after department approval.
- 2) Each request for approval of a joint venture shall be indicated by the filing of a Certificate of Joint Venture for each contract for which approval is sought. It identifies the managing party and indicates the conditions under which the joint venture exists. The joint venture agreement shall be available to the Department for inspection. Each joint venture party shall also submit an Affidavit of Availability. The original Certificate of Affidavits must be received no later than 4:30 p.m. prevailing time seven days prior to the scheduled date of the letting for which Authorization to Bid is sought.
- 3) Very large and complex projects may be designated as being eligible for "unrestricted joint venturing", and will be clearly denoted as such in the Transportation Bulletin. These projects will not be subject to restrictions with respect to the number of parties or other joint ventures conditions, but will still be required to submit a Certificate of Joint Venture and individual affidavits by the aforementioned time and date before Authorization to Bid will be considered.
- 4) On projects estimated by the department at greater than \$1,000,000 and not designated for (unrestricted joint venturing), Joint Ventures shall have no more than three parties.
- 5) On projects estimated by the department at less than \$1,000,000 Joint Ventures shall have no more than three parties. One or more of the parties must have insufficient available individual prequalification ratings to be Authorized to Bid, unless one of the following conditions exist:
  - a) There is fifty-one percent or more common controlling ownership between the parties.
  - b) There common management between the firms where the officers, directors or general partners control the board of directors and/or management of each party.
- 6) Contractors with financial ratings are based upon unaudited financial statements will not be permitted to joint venture with each other to bid contracts which the department estimates at greater than \$500,000. However, such firms may be permitted to joint venture with firms who have a financial rating based upon an audited statement to bid on contracts the department estimates at greater than \$500,000.
- 7) If a party's work rating is limited by its maximum financial rating, the full value of the computed work rating will be used in analyzing the joint venture request. However, the combined maximum work rating in any category shall not exceed the combined financial ratings of the joint venture.

Copies of all required joint venture forms are attached to each Transportation Bulletin.

Please note that signed and notarized originals of all required joint venture forms mentioned above must be received by 4:30 p.m. prevailing time seven days prior to the scheduled letting date. These forms should be mailed to the following address:
